EXTRA SHARP & VINTAGE CHEDDAR CHEESE

With its lush green pastures and mild climate, Ireland is truly the ideal dairy land. Carefully matured for one and two years, Celtic Irish Cheddars have a rich creamy texture, firm, smooth body and sharp flavor. Celtic Cheddars are made exclusively from the milk of pasture fed cows that are free of growth hormones, additives or preservatives. These fine Cheddars are made for those who appreciate a delicious sharp Cheddar. Slice for sandwiches, snacks or shredding on salads.
